DESCRIPTION

One of the most natural and active elements, hyaluronic acid serum is an oil free natural moisturizer with the ability to retain water and keeping skin hydrated. This compound replenishes, tones and firms the skin leaving it smooth, supple and glowing.

Derma serum Hyaluronic acid contains hyaluronic acid which is proven to hydrate and soothe even the most sensitive skin while also smoothing fine lines and restoring youthful elasticity. The lightweight formula can also be used as a velvety smooth makeup primer. This Serum comes in a glass bottle with dropper applicator.
